Competition Rules**

STAND-OFF SCALE JUDGING RULES

This is a class for scratch built models to an approximate scale and is judged on the water; there is no on the table judging .

- 1 The model must have been built by the entrant and must be sailed by the entrant.
- 2 The model should be either ;
 - an approximate scale model of a full size prototype or;
 - a freelance approximate scale model;
- 3 Models are judged on handling, stability, scale speed and general appearance.
- 4 The model should be sailed in a realistic manner and will be judged accordingly.
- 5 There should be at least two judges who will mark on :
 - a General impression;
 - b Appearance on the water;
 - c Manoeuvring.
- 4 Models entered in this class cannot be entered in any other 'scale class' during the same competition.
- 5 Winning models may not be re-entered in this class in a future competition.
